

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings of claims in the application:

1. (CANCELED)

2. (CANCELED)

3. (CANCELED)

4. (CANCELED)

5. (CANCELED)

6. (CANCELED)

7. (CANCELED)

8. **(ORIGINAL)** A computer suitable for communicating with a digital printer having a network address associated therewith, comprising:

means for attempting communication to the network address, sequentially using each of a plurality of port numbers; and

means for attempting communication to the network address using an LPR port number, sequentially using each of a plurality of LPR queue names.

9. (ORIGINAL) The computer of claim 8, further comprising means for invoking the means for attempting communication to the network address using an LPR port number if none of the plurality of port numbers is successful in initiating communication to the network address.

10. (ORIGINAL) The computer of claim 8, further comprising means for determining the network address of the digital printer.

11. (ORIGINAL) The computer of claim 8, the determining means including means for entering the network address of the digital printer.

12. (ORIGINAL) The computer of claim 8, the determining means including means for discovering the network address of the digital printer.

13. (ORIGINAL) The computer of claim 8, further comprising a digital camera.
